

**DIRECTOR OF RISK MANAGEMENT**

**Purpose Statement**

The job of Director of Risk Management is done for the purpose/s of planning, organizing, managing and directing the daily operations of the risk/loss control, workers' compensation and employee benefits programs, monitoring and overseeing staff activities; assisting in designing, developing and implementing loss prevention programs (with a focus on employment liability and casualty losses); managing and monitoring the employee benefits offerings and related processes; representing the District on a variety of advisory committees; serving as a resource to schools, divisions, and departments in the area of risk management; and providing assistance to the Assistant Superintendent of Human Resources.

**Essential Functions**

- Manages a wide variety of program components (e.g. employee benefits offerings, retirement plan(s), risk management, workers compensation, property insurance, ADA accommodations, etc.) for the purpose of ensuring effective department functioning and compliance with state, federal and/or county regulations.
- Analyzes districts' loss control needs for the purpose of identifying issues, developing processes and/or recommending action plans to enhance individual district programs.
- Develops long and short range programs for employee benefits, worker's compensation and liability insurance programs and related services for the purpose of maximizing the effectiveness and efficiency while minimizing the district's insurance liability.
- Responds to safety or environmental concerns for the purpose of investigating and/or recommending remedial actions through coordination with District Hazmat and Safety personnel.
- Researches benefits types, claim trends, laws, regulations for the purpose of implementing remedial programs and recommending alternative courses of action to reduce incidents of accidents and claims.
- Provides administrative and technical assistance to the Chief Financial Officer for the purpose of assisting with administrative functions.
- Interprets contract language, Education Code, Board Policy and employment regulations for the purpose of ensuring compliance with district, local, state and federal requirements.
- Develops, implements and monitors district-wide in-service training programs to satisfy legal mandates and District initiatives for employee health and safety.
- Collaborates with others (e.g. district personnel, community organizations, workers compensation insurance representatives, attorneys, medical providers etc.) for the purpose of implementing and maintaining services and/or programs.
- Monitors fund and insurance usage balances of assigned programs and related financial activity for the purpose of ensuring that expenses are within budget limits and/or fiscal practices are followed.
- Recommends a wide variety of program specific decisions (e.g. insurance vendors, plan specifications, claim settlements, etc.) for the purpose of providing required services to employees and dependents and ensuring efficient utilization of district financial resources.

- Facilitates and participates in meetings, workshops and seminars (e.g. new employee orientations, committees, board meetings, conferences, in-service programs, etc.) for the purpose of conveying and/or gathering information required to perform functions.
- Performs personnel administrative functions (e.g. interviewing, terminating, evaluating, supervising, counseling/coaching, training, etc.) for the purpose of maintaining adequate staffing, enhancing productivity of personnel and achieving objectives within budget.
- Prepares a wide variety of often complex materials (e.g. plans, budgets, reports, analyses, recommendations, procedures, etc.) for the purpose of documenting activities and issues, meeting compliance requirements, providing audit references, making presentations, and/or providing reference materials.

### **Other Functions**

- Performs other related duties, as assigned, for the purpose of ensuring an efficient and effective work environment.

### **Job Requirements: Minimum Qualifications**

#### **Skills, Knowledge and Abilities**
