

Sweetwater Union High School District

SECURITY MANAGER

Purpose Statement

The job of Security Manager is done for the purpose/s of planning, implementing and managing the District's Safe School/Security projects and programs; organizing and managing the District's disaster preparedness plan; providing training to district staff as needed; complying with federal, state, county and district policies, regulations and/or procedures; and supervising assigned staff.

Essential Functions

- Manages the District's safe schools/security programs; works with district administration to establish, maintain and provide district wide training for the comprehensive disaster preparedness plan.
- Serves as district liaison for the purpose of representing the district to county/state child welfare and attendance agencies.
- Coordinates the activities of School Resource Officers for the purpose of improving student achievement, meeting district objectives, and ensuring compliance with relevant local, state and federal regulations.
- Coordinates data analysis with other agencies; contacts various public agencies involved with crime statistics and criminal activity involving district sites.
- Plans, monitors and tracks expenditures related to safety and security and other program budgets.
- Trains school administration and staff (e.g. School Resource Officers, train the trainer, Campus Assistants, etc.) concerning crisis response measures (Threat Assessment Management, Safety Plans Drug Identification, Cyber Bullying, Emergency Response, Gangs, and Domestic/child Abuse Reporting) for the purpose of ensuring the safety and welfare of students and staff and compliance with local, state and federal regulations.
- Maintains records, compiles reports and testifies on the District's behalf regarding various legal issues; coordinates with outside agencies, school sites, law enforcement agencies, boards and committees.
- Verifies residence of students for the purpose of processing inter or intra-district transfer permits and proof of school enrollment and attendance for special programs.
- Prepares materials in written and electronic formats (e.g. reports, brochures, memos, letters, presentations, etc.) for the purpose of documenting activities, providing written reference and/or conveying information.
- Conducts meetings (e.g. safety, site advisory, special district committees, etc.) for the purpose of coordinating activities and ensuring that outcomes achieve school, district and/or state objectives.

Other Functions

- Performs other related duties, as assigned, for the purpose of ensuring an efficient and effective work environment.

Job Requirements: Minimum Qualifications

Skills, Knowledge and Abilities

SKILLS are required to perform multiple, technical tasks with a need to occasionally upgrade skills in order to meet changing job conditions. Specific skills required to satisfactorily perform the functions of the job include: adhering to safety practices; applying assessment instruments; operating standard office equipment; performing standard bookkeeping; planning and managing projects; preparing and maintaining accurate records; and using pertinent software applications.

KNOWLEDGE is required to perform basic math, including calculations using fractions, percents, and/or ratios; read technical information, compose a variety of documents, and/or facilitate group discussions; and solve practical problems. Specific knowledge required to satisfactorily perform the functions of the job

includes: relevant local, state and federal regulations; principles of program administration and evaluation; business telephone etiquette; juvenile law and juvenile field service policies and procedures; community resources, agencies and programs available to parents and students; and stages of student development.
